

New Legacy Reentry Corp.

"Confronting the Past to Redesign the Future"

About Us

New Legacy Reentry Corporation is a faith-based community organization that is committed to breaking the cycle of chronic recidivism for male and female returning citizens who were previously incarcerated for nonviolent, nonsexual crimes.

Mission

New Legacy's mission is to provide long-term residential housing, vocational education, spiritual enrichment, entrepreneurship guidance and basic life skills to returning citizens; which equips and empowers them to become better parents, spouses and citizens.

Vision

Every returning citizen that desires to change their life, be equipped with the tools and resources to create a New Legacy of hope for themselves and their families.

Training Schools

New Legacy endeavors to create and develop multiple training schools. While these schools help returning citizens to gain skills and knowledge; these training schools also generate revenue for the agency.

H.E.A.T.

Habilitation Empowerment Accountability Therapy

H.E.A.T is a holistic, afro-centric, strength-based, trauma-informed model that emphasizes a positive and engaging approach to treatment. This manualized intervention targets young African American males. The holistic approach of H.E.A.T. focuses on treating the complete person by addressing spiritual, mental, emotional physical, environmental, and experiential factors that influence one's sense of self, behaviors, and choices. The curriculum seeks to validate life experiences and help the client address and resolve emotional and psychological issues that have shaped young men's self-image, behavior, and lifestyle choices.
